What did you think about this Activity? Explain your answer

It was awesome point blank.

It was fun!

it was fun and I feel more confident on the test

because it was a fun activity and it made me think harder and better and even faster

I just like to work with different people

because we were able to think fast and quickly

it was fun working with other people and also it made me review more

this was fun and kept us moving

cool. I can review and its funny

it helped me a lot and I loved it.

yes it helped me think of a creative way to remember the material

because it was fun, just a little too fast

it was pretty interesting and fun

because it was fun but time ran past quickly

fun

because it was fun and educational

fun activity

it helped me

it helped me to review but I want to know if my answers were correct or not

because it was fun to work with other people

because it really helped me with reviewing the test

I liked this activity because it was a creative memory refresher, but also it was hard with the time limit.

because it was fun but it was so rushed that if I didn't know the answer, I wouldn't learn anything

because I knew most of the stuff that's given and I know what to review.

I had to move, so not really interesting
